Subject: updates on documents

Hi Lucita,

The EJ analysis document I emailed to you on Friday was not the version I thought it was. The version I just emailed has the prompts Corbin included for you to review. I have saved the updated Class III permit and fact sheet on the I drive at

\\C0808F03EC005\Shar3\30 Day Share\Valois\Dewey Burdock\Class
III\PermitDocs\2ndDraftClassIIIDocs

The sections I would like you to look at one more time are marked with !!

Thanks!

If you happen to head up to Lyons next week, text me!
